## **ManWinWin Software promotes training courses in maintenance management in Abu Dhabi and Dubai**

**ManWinWin Software (Navaltik Management Ltd.) is promoting intensive training courses in maintenance management to be held in January and March 2017**

ManWinWin Software ([www.manwinwin.com/EN](http://www.manwinwin.com/EN)), a Portuguese company supplying CMMS software and consultant services on maintenance organization and management, is promoting intensive training courses on “Organization and Maintenance Management” to be held in January and March 2017 in Abu Dhabi and Dubai.

The program of “Organization and Maintenance Management” training course focuses on fundamental concepts of maintenance management - organizing the equipment tree, types of maintenance and work orders, spare parts management, coding systems, maintenance analysis and indicators, among others.

The Director of contents is Mr. Alexandre Carvalho Verissimo, Navaltik’s Technical Team Coordinator, Postgraduate in Maintenance Management by ISQ and has already 18 years of field experience in this area.

Over the past years Navaltik Management has carried out in Lisbon, Portugal, dozens of training courses, seminars and lectures on “Organization and Maintenance Management”, with very high participation rates, including foreign participants.
